REPORT of the COMPTROLLER and AUDITOR GENERAL upon the ACCOUNT of the IRISH LAND COMMISSION, in respect of CHURCH TEMPORALITIES in Ireland, for the period from the 1st April 1891 to 31st March 1892, prepared and submitted to Parliament in pursuance of the 37th Section of the Act 32 & 33 Vict. c. 42.

New form of Account.

1. THE present Account is rendered in a new Form approved by the Treasury. The principal modifications are:—

(a) The re-arrangement of the receipts and their classification under the headings, Permanent Church Revenue, Terminable Church Revenue, Sales and Redemptions, and Miscellaneous.

(b) The substitution of the terms *Tithe Annuities* (Fixed Annual Instalments) and *Land Annuities* (Fixed Half-yearly Instalments) for *Tithe Rent Charge* (Fixed Annual Instalments) and *Mortgages* (Fixed Half-yearly Instalments) respectively.

(c) Provision for transactions in Land Stock under the Purchase of Land (Ireland) Act, 1891.

Church surplus grant.

2. During the year an addition to Capital liabilities has been made to the extent of 1,500,000 L, being the amount of the Church Surplus Grant placed at the disposal of the Congested Districts Board under the provisions of the Purchase of Land (Ireland) Act, 1891; 16,689 L 13 s. 3 d., the interest on this sum, has been paid over to the Board during the year.

Repayment of church loan.

3. The amount due to the National Debt Commissioners on account of the original loan of 9,000,000 L for carrying out the provisions of the Irish Church Acts, was further diminished during the year by the payment of 279,217 L 7 s. 8 d. for principal, leaving 2,602,093 L 11 s. 3 d. outstanding on 31st March 1892.

Financial position of the Irish Church Temporalities Fund.

4. From a Return presented to Parliament on 16th April 1890 (P. P. 130—90) it appears that the annual charge on the Church Fund for interest amounts to about 371,000 L. It also appears from this Return that until the year 1898 the annual income will be about 550,000 L, and that it will then gradually decline, until, in 1932, it reaches the sum of 266,000 L, which may be taken to represent the permanent income of the Fund. Before this period arrives, it is estimated in the Return that the surplus remaining, after meeting the annual charge of 371,000 L, will be sufficient to discharge all existing liabilities, including the 1,500,000 L Grant to the Congested Districts Board.

Error in Collection Account, No. 1.

5. In the course of the local examination conducted by my officers in Dublin, an error of 1,844 L 1 s. 9 d. was discovered in the amount shown as prospectively collectible on account of Land Annuities (Collection Account, No. 1) due to an erroneous method of calculation. The same error has apparently been made in previous Accounts, and the total amount overstated would appear to be 15,196 L 19 s. 3 d. I am informed by the Land Commission that it is intended "to revise this item in the next Account in order to "make it agree with the actual mortgages now in charge."

Amounts settled or written off.

6. The particulars of the amounts written off the rentals will be found on p. 9. Of the sum of 824 L 17 s. 4 d. remitted from Tithe Rent Charge, 640 L 14 s. 6 d. had become irrecoverable under the Statute of Limitations, and 8 L was remitted from Tithe Annuities for the same reason.

7. The Balance outstanding on account of advances made to the Commissioners of Public Works, under 43 Vict. c. 4, and 43 & 44 Vict. c. 14, is shown in Collection Account, No. 5. A statement is appended to my Report on the Appropriation Account of the Vote for Public Works Office, Ireland (Class II., Vote 37), showing the arrears uncollected on these loans. Repayment of loans to Commissioners of Public Works.

8. The Cash Balance in the hands of the Irish Land Commissioners at the close of the year was, as shown by the Account, 172,497 *l.* 5 *s.* 5 *d.* Cash Balance.
